

Wysox Township

Emergency

Evacuation

Plan

Adopted 3/02/17

Potential Hazards for Wysox Township Include:

- Fire
- Flooding
- Hurricanes
- Tornado
- Natural Gas Incidents
- Transportation Incidents (Highway, Railway, Aircraft)
- Weapons of Mass Destruction (WMD)
- Winter Storms
- Hazardous Materials
- Earthquakes
- Terrorism
- Industrial Incidents

**Notification:** Once a potential incident is identified the Bradford County Emergency Management Agency or the 911-communication center will notify the Wysox Emergency Management Coordinator (EMC). If the Township EMC is not available then the notifying body will contact one of the Township Supervisors. If the EMC is contacted then he or she will contact one of the Township Supervisors and relay the situation.

**Activation:** Once the extent of the emergency is determined the Township Emergency Operation Center may be activated. Also the Wysox Volunteer Fire Company and the Pennsylvania State Police may be notified for a possible evacuation and they may be needed to help with traffic control.

**Evacuation Routes:** The major evacuation routes are:

- Route 187 North and South
- Route 6 East and West

**Other Evacuation Routes include:**

- Mezur Hill Rd – SR# 1012
- Red Rock Rd – T# 565
- Claverack Rd – T# 618
- Lake Rd – SR# 1029
- Laning Creek Rd – SR# 1033

**Public Notification:** Once an evacuation is needed the Township Supervisors or the EMC will notify the local news media of the evacuation in process and if needed, there will be a house-to-house notification performed by either the Wysox Volunteer Fire Company or the Pennsylvania State Police or a combination of both.
