

ROAD MASTER'S REPORT

For the month of February 2019

Roadwork:

1. Plowed and cindered multiple times.
2. Cleaned off the berms and drains on both bridges by hand.
3. Exits of cross pipes were froze solid not letting water through. We chipped away and opened pipes up.
4. Met with our PA DOT representative, Steve Kehoe on Fall Run, Harmony, Glen Roads to get estimates for FEMA.
5. Installed snow fence around the washouts.
6. Found household trash over the bank on Red Rock. We bagged it up and put in Township dumpster.
7. Cut trees and branches after wind storms.
8. Put new caution tape out at boat launch washout.
9. Repaired and installed street signs after heavy wind.
10. Traffic signal box at plaza had been hit causing the computer inside to fall off the shelf and it put the signals to go into flash mode. Lecce Electric came and repaired a wire inside the computers. More damages still in need of repairs.
11. Met with Chris Hughes from Chesapeake on Fall Run from Mercur Hill to Brown Hill. Chesapeake will be repairing cross pipes. Chesapeake will also repair road from DJ pad to Brown Hill.

Trucks and Equipment:

1. Torqued wheels, checked fluids, checked air pressure and lubed spreader chains.
2. Replaced bulb in clearance light on spreader.
3. Tightened chains and greased cinder spreaders.
4. Purchased rubber cutting edges for both plows on trucks 1 & 2.
5. Charged fuel filters on truck 1.

Office and Buildings:

1. Ordered more salt and cinders as we were getting low on both.
2. Cleaned drain box in Bay 1.
3. Purchased new fire extinguisher cover for extinguisher outside by dumpster old one fell apart.
