

ROAD MASTER'S REPORT

For the month of January 2020

Roadwork:

1. Plowed and cindered when needed.
2. Installed engine brake signs on Craftmaster and Leisure per PennDOT specs.
3. Received a call from the com center about traffic signals not working - took generator over til power came back on.
4. Had 9 loads of material dumped at our Laning Creek property from Irish Ridge Bridge project.
5. Insinger finished with the bottom washout on Harmony Hill.
6. Called PennDOT to report dead deer on RT 6 between Ferrarios and County Office supply.
7. Cut trees on Fall Run that have fallen in stream that were near our road.
8. Insinger started upper washout on Harmony Hill. We put cones up and snow fence up also. Cleaned wood chips off roadway.

Trucks and Equipment:

1. Replaced pump, hoses, and fittings on truck 1 spreader.
2. Replaced both fuel filters and hydraulic filter on truck 1.
3. Had to have thumb bracket on backhoe repaired by Warner Tractor.
4. Truck 4 and tractor been sitting – started both and let run to charge.
5. Swapped top grates of spreaders due to trade in some straighter than the other.
6. Repaired washer nozzle on truck 1.
7. Had 6 tires replaced on truck 1 best priced at STTC.
8. Retorqued wheels on trucks.
9. Traded truck 2 2011 F550 in for 2019 6500 silverado.
10. Washed trucks and checked fluids after each use.

Office

1. Replaced parking lot lights to LED at new building as requested.
2. Cut limbs that were hanging near lights while we had man lift.
3. Washed outside windows at new building.
4. Hung 5 map boards and 2 dry erase boards at new building.
