Under New Business:

1. Set date to review roads with Supervisors. - Jon Kulick would like the supervisors to ride the township roads with Todd so they can discuss the repair schedule for the summer. The supervisors will be getting with Todd to set up a time individually with him at their convenience.
2. A/C Damage from Roof ice – A large and very heavy chunk came off the roof of the office building as temperatures warmed and hit the A/C unit, bending and breaking some of the brackets. Saring Co came to repair, and suggested putting a roof over the units. This would prevent this from happening again in the future. The

supervisors would like to review further and explore all options to prevent this from happening again. They will get quotes on what a roof would cost as well as looking into possible heat coils installed on the roof before making a final decision.

3. The township had 2 sealed mowing bids presented. M&R Maintenance & Rentals of Towanda submitted a bid of \$280.00 per mowing and trimming for all of the 7 lawns. J.R. Stone, Inc also of Towanda submitted a bid of \$300.00 per mowing and trimming for all of the 7 lawns. Supervisor Hoffman motioned to hire M&R Maintenance and Rentals at \$280/mowing. Supervisor Thompson seconded and motioned carried with 3 ayes.
4. The purchase of a steam pressure washer was brought to the board. The pressure washer would be used to clean all township equipment after each snowstorm, wash the township buildings each year. The township currently only has a cold-water pressure washer. Supervisor Thompson motioned to approve Jon Kulick to find and purchase a steam pressure washer with a budget of \$5,000.00. Supervisor Hoffman seconded and the motion carried with 3 ayes.
5. Supervisor Hoffmann wanted to comment how well he thought the road crew does at taking care of all the roads especially this winter with the amount of snow we have had. Supervisor Them and Thompson both agreed, Jon Kulick also commented that we have had several positive comments throughout the township on a job well done from Todd and Clay, our road crew.

The meeting adjourned at 5:20.

Respectfully,

Michelle Johns
