

ROAD MASTER'S REPORT

For the month of July 2021 Roadwork:

1. Had multiple storms that plugged pipes and took trees down. Cleaned our right of ways and opened cross pipes back up and cleaned ditches.
2. Bermed old sawmill and cleaned ditches. Ready for double seal coat
3. Cleaned rubber flaps at bottom of well pad Hilfigure driveway. Was sending gravel into Glen Road. Called Chris Lee from Chesapeake and he had problem repaired very quickly.
4. Called PA DOT Joe Say reported hole in road at cross pipe on Mercur Hill and Fall Run intersection.
5. Driveway washed out at 527 Hillside. All water went across road and washed berm of road out. Took 5 loads of material from our Laning Creek property and filled hole.
6. Rowe road had 3 big trees that were leaning. Took backhoe up, pushed trees over and cut up.
7. Glenn Road at bridge had multiple trees fall and block stream
8. Put hip waders on, got into stream with pole saw and got exit of bridge and stream open.
9. Emptied trash cans at pavilions twice a week and cleaned off pavilions
10. Took backhoe to boat ramp, cleaned off flood mud
11. Weed trimmed around pavilions and grills
12. Installed 2 signs to tell people to push green button for lights. One on each pavilion.
13. Put grass seed on Harmony Hill for vegetation at location where the bank started to erode.
14. "No outlet" sign on Brown Hill got run over. Replaced base post and reinstalled sign
15. Repaired bank on Hillside at Hillcrest Heights intersection near mailboxes. Made ditch and seeded bank
16. Weed trimmed Wysox side of Towanda River Bridge
17. Weed trimmed "Welcome to Wysox" sign in Meyersburg
18. Straightened traffic signal at Rt 6 & 187 using our fiberglass pole

19. Directed traffic at our 3 traffic signals, Rt6 & 187, Sheetz, Plaza, while Williams and Willman did our line painting
20. Cleaned ditches and leveled off road on Canal St. Took 2 loads of millings
21. Patched berm along Old Rt 6 under guide rails
22. Mowed Towanda Park 2.5 hours
23. Mowed Canal St. and installed 3 delineators
24. Mowed Sullivan St. and marked ditches for 811 ditch cleaning. Called 811 # 20212043004
25. Patched Old Saw Mill and Hollenback intersection so that it's ready for seal coat. Also did patching on Allen Road
26. Mowed Allen Rd & Old Sawmill Road
27. Added millings above pipe in driveway at 616 Claverack Road, pipe was exposed
28. Cleaned out ditches on Sullivan St. used backhoe and Truck 2, took 15 loads of material out
29. Raised Allen Road approx 5 inches for 1000ft. All material came from Lopkee pit. All work was hired out, Grader from Vestal Asphalt and roller from S&A

Tucks and Equipment:

1. Front tires on backhoe replaced
2. Waste gate on truck 4 turbo froze up. Took to Wolfs Garage and had replaced. Truck still very sluggish and smokes more than normal so took back to Wolfs.
3. Replaced main tube on old weed trimmer due to being bent
4. Washed trucks 1,2,3
5. Took tractor to Rovendale to get serviced. They changed front pump seal, hydraulic fluid, and filters, oil and filters. Found a loose connection inside joy stick those controls boom mower, all works well now.

Office -Buildings

1. Pavillions now have lights and outlets
2. Made signs and Post for notices on Pringle Lane

3. Received 100 buckets of cleaning supplies from Emergency Relief.
Stacked all in storage room at office
