Visitors Comments: Cherie Foster voiced concern about the placement of the porta-a-john at the boat launch. Where it is located is very hard for the senior citizens to get to. Jon is going to look into possibly moving the outhouse that is at the park so it is more in between the 2 pavilions.

Charlie Muchichko with concern of the “Jake Brake use on Rt 6 between Sheetz and the Bradford Towne Center, he spoke with a state policeman, who suggested that the township put more sign along rt 6 prohibiting the use of Jake brakes. Charlie also asked about the timing of the red light for the turning lane at Bradford Towne Center, and if we could make the timing for the turning lane longer. Jon has inquired to PA DOT before regarding the timing of red lights, including this particular light. PA DOT sets the timing of the Red lights and the township is told not to tamper with the timing. Jon suggested that Mr. Muchichko call PA DOT and make a complaint about the light.

Mr. Muchichko was also inquiring about trimming along Pringle Lane. Jon Kulick explained that work on Pringle Lane is in process, as Pringle Lane does not belong to the Township until the Resolution is signed into order later in this meeting.
