

ROAD MASTER'S REPORT

For the month of September 2022 Roadwork:

1. Cut trees that fell and cleaned right of ways
2. Reported Pole light out on Fall Run at Mercur Intersection
3. Mowed at boat launch and trimmed around landscape rocks. Patched holes on launch road
4. Tree hanging over Glen Road off the rocks, cut and removed off the road.
5. Put more signs out at boat launch yard to keep vehicles off grass
6. Purchased a total of 7.39 ton of cold patch. We patched Glen, Grimes, Fall Run (upper), boat access, canal, PA Ave, East St
7. Had 2 trees fall off bank on Glen Road just below bridge. They were big and had roots attached. We had to cut into smaller sections to get them out of the stream. Put good wood on side of road and the pine were put in the bank along the road. Did contact M. Allen, he said he'd get the wood
8. Installed 25mph sign on Lundy per manager afer making the One Call (811) #2022-263-1268
9. Cleaned out all blacktop ditches on Lundy by hand
10. Cut low hanging limbs on East and Burgess
11. Met with Stiffler McGraw & Sikora Brothers re: Pa Ave and East St project to be complete by June 30, 2023
12. Week trimmed Hillside and 187 intersections under guide rails for visibility
13. Cleaned out ditch on Glen from Claverack to the bridge
14. Cut brush on Lake Road for visibility pulling out of Hillside. Also weed trimmed intersection
15. Put 2 buckets of DSA at corner on Sullivan St due to berm gone from trucks
16. Patched holes in dirt sections with DSA, Canal, Spencer, Dry Run
17. Put Porta potty at end of sidewalk and anchored down per Bishops
18. Weed trimmed around signs, pipes, delineators in East Towanda
19. Mowed Fall Run and Glen, also trimmed under guide rail and landscape rock on Glen.
20. Emptied trash cans at pavilions weekly

Tucks and Equipment:

1. Truck 2 back in service, Transfer Case had noise, Bearings were replaced and shafts were balanced under warranty
2. Truck 1 inspected
3. Welded tail light bracket back to frame on truck 4
4. Tightened flails and greased mower before each use
5. Replaced hydraulic hose on dump cylinder of truck 4
6. Changed oil & filter, greased front 4 joints and rotated tires on truck 3
7. Built new license plate bracket for truck 4
8. Installed 2 clearance lights on truck 4
9. Greased truck 2
10. Truck 3, new wipers
11. Detailed inside and out of backhoe

Office and Shop:
