1. Supervisor Thompson moved to approve all proposed 2023 township budgets to be advertised for public review, Supervisor Gannon seconded and motion passed with 3 ayes.
2. There was discussion with the board about possibly closing the Wysox Park and boat launch for the winter months. This would be because of improper use and some vandalism that has been happening. The township would keep the road in and out of the boat launch open for the fire company. Supervisor Them would like to check with DCNR to see if we are allowed to close the park, and check with PA State Police to request more presence at the park. The board will discuss further at the next board meeting set for December 14th at 5pm.

The board went into executive session to discuss some personnel matters.

The meeting was adjourned at 9:34 am.
