

# ROAD MASTER'S REPORT

For the month of April 2024 Roadwork:

1. Cleaned ditches on Dry Run
2. Drove roads that we want quotes on with PA Dot Rep
3. Found garbage bag of clothes and 2 sleeping bags stuffed in entrance of pipe on Fall Run. Pulled out and put in our trash
4. Heavy wind brought multiple trees down on Claverack, Glen, Red Rock. Had to close Red Rock Road down due to power lines being down. We removed trees from road and right of ways
5. Attended PA Dot meeting at Ulster Fire Hall
6. Met M&R maintenance & C&S on Claverack and Glen for Rip Rap quotes per manager.
7. Blew off playground and pavilions at Wysox Park
8. Emptied trash at pavilions each week
9. Shoveled flood mud off walkways at Wysox Park. Cleaned restrooms
10. Spread a load of 2RC (DSA) on Grimes Road to fill in soft spots
11. Met BCCD on Glen Road at 2 different locations for possible grant
12. Picked up sticks & limbs at Wysox Park and both cemeteries ready for mowing
13. Cleaned flood mud off boat ramp at Wysox Park
14. Put grass seed along walkway at Wysox Park in front of pavilion 1
15. Installed 4 signs at park saying to "clean up after your dogs" and "Must be on a leash"
16. Patched holes with cold patch, Red Rock and Glen Road
17. Picked up trash along 187 bank at Wysox Park
18. Filled holes on Canal & Spencer with DSA
19. Bermed and cleaned ditches on Hillside from 187 to Lake Road
20. Our manager received pictures of trash along river bank north of Towanda park on Wysox side. He sent pictures to Towanda Boro
21. Bermed Fairground road

22. Installed 16 notice signs for proposed solar field around Craftmaster, Shiner, and Leisure locations per manager. Sent pictures of locations and send to Wysox email
23. Reported dead bear to PA Dot that was hit on Rt 6
24. Removed trash found under bridge at Wysox Park
25. Bermed Claverack Road & Pond Hill then swept with broom on tractor
26. Put new flags on Veterans graves at Mercur Hill & Pond Hill cemeteries
27. Videoed Red Rock & Fall Run for road conditions, sent to office

### **Tucks and Equipment:**
