

# ROAD MASTER'S REPORT

For the month of June 2024 Roadwork:

1. Stock piled all chip & sand for roads that got done. Hillside, Post, Country View, and Harmony Hill
2. Mowed Hollenback, Allens Lane, Spencer, Dry Run, Fall Run and Glen from Allen to township line
3. Cleaned bunched up leaves out of ditch on Glen below RBF pad. Used backhoe
4. Weed trimmed both bridges, Fall Run & Glen then swept off
5. Suite Kote completed road projects. Hillside, Post, Country View, & Harmony Hill
6. Installed loose gravel signs on roads done
7. Installed "No Swimming" signs at each launch at our Wysox Park
8. Dug out boat ramp, used backhoe
9. Blew off playground, walking trail, and under both pavilions
10. Filled holes on upper Fall Run & Grimes
11. Removed gravel bar under railroad bridge. Used backhoe & skid steer
12. Weed trimmed medians at Plaza
13. Weed trimmed along Mercur Hill at Grimes intersection for visibility coming out of Grimes Road
14. Mowed our Laning Creek property and weed trimmed snow fence surrounding
15. Mowed ditch sections at YHEC
16. Lecce Electric replaced card at Sheetz traffic light at Craftmaster and Rt 6
17. Picked up notice signs on Craftmaster & Leisure
18. Heavy wind & rain, checked all roads. Had trees down on Red Rock & Fall Run. Had gravel on Red Rock, used backhoe to clean off
19. Weed trimmed all guide rails signs, post, pipes on Fall Run and started Red Rock
20. Weed trimmed Dry Run at narrow corner due to bamboo coming out into the road. Also did cross pipes.
21. Received call from com-center on plaza traffic signal

**22.**Met with PA Dot on our bridges, Glen and Fall Run

**Tucks and Equipment:**

1. New tiger mower was delivered
2. Checked fluids in tractor and greased mower before each use
3. Hose for tilt on mower blew. Went to MR Dirt for replacement and repaired on sight
4. Rotated all flails on mower
5. Bent threaded rod for belt tensioner on mower, brought back to shop & repaired
6. Replaced both guard roller bearings on mower

**Office**
