

ROAD MASTER'S REPORT

For the month of Aug 2024 Roadwork:

Road Work

1. Reported red bulb out at traffic signal at the plaza to Lecce. They came and replaced bulb
2. Weed trimmed medians at plaza
3. Weed trimmed under all guide rails on Claverack & Glen roads
4. Cut trees blocking water way under Glen bridge
5. Received 11 loads of antiskid 221.68 tons. Put all in shed and pushed up to rafters. Shed is full
6. Cut limbs blocking stop sign at Old Saw Mill & Laning Creek intersection
7. Checked all roads and pipes before storm Debby. Closed Wysox park due to possible flooding. Removed all trash cans (concrete) with backhoe
8. Cut and removed trees from our right of ways after the storm
9. Took skid steer to Wysox Park, removed flood mud from walkways and boat launch
10. Put 3 legal notice signs out at Oliver's restaurant per managers request and sent pictures showing this to Wysox secretary's email
11. Cut and removed big tree limb that fell in front of pavilion
12. Pulled equipment from out back, cleaned ditch and mowed, weed trimmed what could not be moved
13. Tree fell at Mercur Hill cemetery, cut and cleaned all up
14. Marked our crosspipes for 811 on Glen Road
15. Cut limbs hanging out in roadway at entrance of Lundy
16. Replaced 2 sections of guiderails below 732 Red Rock Road due to a tree falling on them
17. Took backhoe to Fall Run, big tree fell. We pushed it back and put it back on side it fell from
18. Installed hidden driveway sign on Fall Run near bridge for M. Stroud
19. Repaired school bus stop ahead sign below 917 Mercur Hill due to tree falling on it
20. Glen Road project started with BCCD. Road is closed, called in by CUZ Excavation

21. Patched holes in dirt sections of Grimes, Dry Run, and Canal
22. Pressure washed both bridges, Fall Run and Glen preparing them for sealer
23. Shoveled under guide rails on both ends of bridges for water flow
24. Second round of mowing done on Claverack, Pond, Spencer, Hillside, Harmony Hill, Post, Sullivan, PA Ave, Burgess, Canal, Old Rt 6, Stickland, Fairground, and Hickory Lane. Also weed trimmed signs, poles, pipes ect. And cut low limbs with polesaw on these sections of roads
25. Installed 4, "Not responsible for injuries" signs at Wysox Park
26. Weed trimmed retention pond along Lake Road at Country View

Tucks and Equipment:

1. Replaced hydraulic filter on tiger mower
2. Sharpened saws
3. Greased backhoe
4. Repaired hose bracket on mower at swivel of tractor
5. Truck 1 and trailer inspected – nothing needed
6. Replaced rear brakes on truck 3
7. Washed mower and tractor
8. Greased mower before each use

Office

1. Emptied trash at Wysox Park, blew off walk ways and pavilions
2. Cleaned inside of restrooms at our park and mopped floors with cleaner
3. ABC fire equipment delivered new fire extinguisher & box, we installed between cinder shed and our shop outside
4. Shoveled entrance of salt shed, had anti-skid blocking from trucks dumping
5. Blew off office parking lot
