

ROAD MASTER'S REPORT

For the month of December 2024 Roadwork:

Road Work

1. Plowed and cindered as needed
2. Cut fallen trees off roads and right of ways (multiple)
3. Picked up trash bag of garbage on Route 6 near Red Rock Road
4. Reported truck parked along Post Road near Gregory gas pad
5. Cut tree off Lake Hill on corner
6. Reported pole light out @ intersection of Post & Shores Hill # 230310P
7. Took backhoe to boat ramp and walkway, washed off flood mud
8. Put cold patch in a hole on Hillside west of Lake Road
9. Cleaned berm of intersection on Glen & Claverack
10. Made ditch by hand @ 2384 Glen Road from driveway to ditch. Water was coming down driveway onto road

Tucks and Equipment:

1. Washed trucks & spreaders after every storm. Sprayed spreader chains with lube and checked fluids
2. Greased backhoe
3. Backhoe radio not working. Found wire not connected (works now)
4. Replaced chain on Johns red saw & sharpened stihl saw & pole saw
5. Drained fuel on hot pressure washer. New spark plug, changed o-ring on bowl & wand. All works good
6. Replaced LH taillight lens on truck 4 was broken from Anti-skid hitting it.
7. Washed backhoe
8. Started both generators and let them run
9. Noticed truck 1 had a leak, found power steering lines broken. Took to Williams Garage for repair
10. Adjusted both rubber edges on truck 1 & 2
11. Found gasket & studs broken on truck 1 tail pipe. Purchased new gasket & studs, had to heat old studs up to get out. All repaired

12. Greased under both trucks 1 & 2
13. Tightened both spreader chains, trucks 1 & 2
14. Truck 2 inspected, needed nothing

Office

1. Emptied trash at pavilions weekly
2. Installed sticker on front office for office hours
3. Put Christmas decorations up, then took them back down after Christmas
4. Dug ditch on back side of our shop by dumpster for water flow
5. Attended CPR training
6. Attended Full depth Reclamation class
7. Cleaned out salt corner in cinder shed
8. Water pipes froze at our shop used hair dryer to thaw out
9. Received 22-ton salt from Bradco Supply, put in salt shed
10. Propane tank filled 12-31-24 (shop_
