

ROAD MASTER'S REPORT

For the month of February 2025 Roadwork:

Road Work

1. Plowed and cindered multiple times for snow and ice storms
2. Made dash cam videos of our roads, Dry Run, Red Rock, Fall Run, Hollenback, Claverack, due to heavy truck traffic.
3. Reset mailbox on Lundy due to being hit
4. Reported dead deer on 187 to PA Dot
5. Met Lecce Electric @ plaza traffic signal. He hooked his computer to our box to read cameras all working as they should. He did adjust the stop box bigger coming out of the plaza
6. Found multiple cross pipes plugged with ice used metal bar and got most exits open for water flow
7. Big tree fell on a table at Wysox Park, cut and removed tree and noticed table top was broken. Took pictures and sent to office
8. Cut multiple trees & limbs off roads and right of ways. Cleared ditches
9. Multiple locations of water ponding in roadways. Dug along berms for water to get off
10. Moved rocks off Glen Road at Falls multiple times

Tucks and Equipment:

1. Washed trucks 1 and 2 after each storm and spreaders
2. Found 2 bad wire ends on relay for plow on truck 2 put new eyelets on wires
3. Replaced air filter on truck 1
4. Greased both spreader chains after each washing and greased spreaders
