

March 2025 Township Manager Business:

- Received report from BCCD on road projects we have partnered with in the past. Report was excellent, trees in ditch line on Harmony Hill are blocking proper flow of water. Roadmaster is to address and update after trees are removed
- Red Rock Road, fracking/sand trucks ending first several weeks of March
- Spv Gannon reached out and found an e-recycling company. No charge to Wysox Township. RE_ACT is the company. They will be at our April 12, 2025 clean up day until their van is full
- Drove all roads
- Spoke with B. Lebo on deputy EMC position
- K. Ritz Builders came in to office to fix ceiling tiles in 2 offices
- Triple Threat Electrical was in and fixed leaking weather head that was leaking in to maintenance room
- Glen Road had a few minor complaints. Road crew is fixing them.
- S. Sumner was in for and insurance policy review. All ok to renew
- Rovendale Fars and Ag was purchased by Messicks. Todd and Bill attended the Grand opening
- PA DOT will sweep the Golden Mile April 10-12th per Shane B. at PA DOT office. After request from the township
- Called Bradford County Probation for volunteer help on April 12 for cleanup day
- Attended Supervisors meeting
- Attended Progress Authority Meeting
- Attended Bradford County Commissioners meeting
- Met with Expand Energy on Red Rock Road repairs
- Attended Wysox Township employee evaluations
- Interviewed possible candidate for code enforcer/constable in Wysox Township
- Roads driven by PADOT rep and road crew to get quotes on Strickland, Fairground Road, Lundy Ave, Upper Claverack Road and Pond Hill Road
- Crack seal bid for all roads
- Called B. Barnes from Bradford County on controlled burns. Very little they can do as they have no control arm on the matter
